The figure is a detailed architectural floor plan of a structure labeled "WIATA 'B'". It consists of two symmetrical sections, each 1,200 units wide and 1,600 units high. The plan is divided into several rectangular zones, each containing a shaded area representing a specific structural element. Key dimensions and labels include:

- Overall Dimensions:** The total width of the structure is 1,200 units, and the total height is 1,600 units. The plan is divided into four main vertical sections with widths of 240, 324, 240, and 262 units.
- Structural Elements:** The plan features several rectangular zones, each containing a shaded area. These zones are labeled with dimensions and structural details, including "strefa sprzedającego" (seller's area), "blat straganu" (stand table), and "blat" (table). The shaded areas are defined by dimensions such as 60, 120, 180, and 240 units.
- Labels and Dimensions:** The plan includes numerous labels and dimensions, such as "zarys płyty betonowej" (concrete slab outline), "slup drewn. 18x18cm" (wooden post 18x18cm), "blat + 0.85", and "strefa sprzedającego 180". The plan also includes a north arrow pointing towards the top right.
- Notes:** A note at the bottom left of the plan reads: "Uwaga! Spadki na płycie wykonać wg branży drogowej" (Note! Slopes on the slab to be made according to the road engineering branch).
